Re: *United States v. Geovanny Fuentes Ramirez*, S6 15 Cr. 379 (PKC)

Dear Judge Castel:

We write in response to the defendant's letter of earlier today seeking a trial adjournment. On March 1, 2021, the Government served a subpoena on the Metropolitan Correctional Center for the defendant's prison calls and emails for the month of February. On March 2, 2021, the Government received calls and emails in response to that subpoena and produced them to the defendant the same day. The production included a detailed log that identified, for each call, the individual contacted by the defendant. Based on the Government's review of those calls and emails, the Government does not intend to introduce any of them at trial. As a result, the defendant's request for a trial adjournment should be denied.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney
